It may be noted that all candidates who take the school course, whether they are *first year pupils* or *second year pupils*, should put in the required attendance.

N.B.—Forms of recommendation for exemption should be applied for by the Heads of Institutions along with the requisition for forms of application for admission to the Middle School or the Upper Primary Examination of 1939.

10. The Heads of High Schools sending up candidates for the S.S.L.C. Public Examination will kindly note the following points in connection with the preparation and submission of applications for candidature :—

(*a*) Candidates should be asked to give their *correct* date of birth, *viz.*, the day, month and year, in the form of application *as entered in the Admission Register* of the School without giving room for unnecessary correspondence in the matter. They should be advised to enter only the father's name in the form of application and not the guardian's name.

(*b*) The Heads of institutions should satisfy themselves that the entries in the S.S.L.C. cards correspond with those in the form of application for admission to the examination in every respect and that the date of birth entered in the S.S.L.C. card corresponds with that in the Admission Register of the school.

(*c*) The Heads of High Schools should arrange the applications and the S.S.L.C. cards separately in the same order, first according to the second language chosen by them and secondly, in the alphabetical order under the several second languages. In no case should the applications and the S.S.L.C. cards be mixed up, as this will lead to confusion while checking the applications. The applications and S.S.L.C. cards of candidates who have been declared "Passed" in previous years should be separated from others and arranged in the same manner as noted above.

(*d*) A classified statement showing the names of candidates under "Ordinary" and "Supplementary" Certificates, the several second languages and additional subjects offered by them should accompany the applications for candidature.

11. The admission tickets of candidates who appear for the several Local Examinations of 1939 *by private study*, will be sent direct to the candidates concerned by ordinary post to the addresses furnished by them in their application for admission to the examination about 15 days prior to the date of the commencement of the examination to which the particular candidate has appeared. Private candidates are therefore advised to enter their postal address clearly in their application forms. *The Examination Office cannot undertake to note the changes in the addresses intimated after the applications are sent in.* The Examination Office will not be responsible for non-delivery of admission tickets, etc., sent to the candidates concerned in consequence of the incompleteness or inaccuracy of the postal addresses furnished by them.

12. Applications for the Teachers' Certificate Examination—Secondary Grade—(both Theory and Practical) from private candidates will be rejected unless they have appeared for the examination and failed at least once. But teachers in recognised schools who have put in five years' service or more and who had no chance of being deputed for training by the Department may be admitted to the examination by private study, subject to the condition that they possess the minimum general qualifications prescribed for the examination, provided that applications for admission to the examination are accompanied by certificates issued by the Inspecting Officer in direct charge of the school to the effect that the teacher possesses the minimum general educational qualification prescribed therefor, that he has put in five years approved service in a recognised school, that he has been adopting approved methods of teaching in the school and that he is fit to take the examination by private study.

13. The admission of candidates to the Vernacular Teachers' Certificate Examinations by private study, is regulated as hereunder—

(*a*) *First Examination.*—

(1) Persons who had sat for the Lower Secondary Training Examination (one year or two years' course) under the old rules and failed therein.

(2) Persons who had sat for the Upper Secondary Examination under the old rules and failed in one or both the groups.

(3) Teachers in recognised schools who have put in five years' service or more and who had no chance of being deputed for training by the Department may be admitted to the examination subject to the condition that they possess the minimum general qualification prescribed for the examination and subject to the production of the kind of certificate prescribed for the Teachers' Certificate Examination.

(*b*) *Second Examination.*—

(1) Persons who have passed the Upper Secondary or S.S.L.C. Examination.

(2) Persons who had appeared for the first examination by private study and passed therein.

14. It should be clearly understood that the provisions in this Notification do not in any sense supersede the detailed Notifications relating to the several examinations and that the provisions in the detailed Notifications should be fully satisfied before any candidate is registered for the examination to which he seeks admission.

(4) An application for the appointment of a guardian of a minor defendant for a suit may be made by the plaintiff in the suit or by any person interested in the minor defendant.

(5) Every application made under sub-rule (4) shall be supported by an affidavit verifying the fact that the proposed guardian has not, or that none of the proposed guardians has, any interest in the matters in controversy in the suit adverse to that of the minor and that the proposed guardian or guardians are fit persons to be so appointed. The affidavit shall further state according to the circumstances of each case (*a*) the name and address of the natural guardian, if any, of the minor defendant according to his personal law or of his guardian, if any, appointed or declared by competent authority, or (*b*) if there is no such guardian, the name and address of the person in whose care the minor defendant is and the name and address of the person, if any, who is the *de facto* manager of the minor defendant's property, and (*c*) the names and addresses of persons, if any, suitable by reason of relationship, interest or otherwise to be appointed guardian of the minor defendant for the suit if the Court does not appoint any natural guardian or legally appointed or declared guardian or manager or person in whose care the minor defendant is as herein described.

(6) No application for the appointment of a guardian of a minor defendant for a suit shall be combined with an application for bringing on record a legal representative of a deceased plaintiff or defendant.

(7) No order shall be made on any application presented under sub-rule (4) above except after notice to the natural guardian, if any, of the minor defendant according to his personal law or to his legally appointed or declared guardian, if any, or, if there is no such guardian to the person in whose care the minor defendant is and to the *de facto* manager of his property, if any, and after hearing any objection urged by or on behalf of any such person or of any other person interested in the minor defendant, provided that the Court may, in any case, if it thinks fit, issue a notice to the minor also.

(8) No person shall, without his consent, be appointed guardian of a minor defendant for a suit. Whenever an application is made proposing the name of a person as guardian of a minor defendant for a suit, a notice in Form No. 11 set forth in Appendix H hereto shall be served on the proposed guardian; unless the applicant himself be the proposed guardian or the proposed guardian consents.

(9) If the Court finds no other person competent and willing to be appointed guardian of a minor defendant for a suit, the Court may appoint any of its officers or a pleader of the Court to be the guardian.

(10) When a guardian for the suit of a minor defendant is appointed and it is made to appear to the Court that the guardian is not in possession of any or sufficient funds for the conduct of the suit on behalf of the defendant and that the defendant will be prejudiced in his defence thereby, the Court may, from time to time, order the plaintiff to advance moneys to the guardian for purpose of his defence and all moneys so advanced shall form part of the costs of the plaintiff in the suit. The order shall direct that the guardian, as and when directed, shall file in Court an account of the moneys so received by him.

(*b*) Omit Rule 4.

(*c*) Add the following as sub-rule 1 A to Rule 7 (1).

When an application is made to the Court in any suit to which a minor is a party for leave to enter into an agreement or compromise or to withdraw the suit in pursuance of a compromise or to take any other action on behalf of the minor and the minor's next-friend or guardian is represented by a pleader, the pleader shall file in Court with the application certificate to the effect that the agreement or compromise or action proposed is in his opinion for the benefit of the minor. A decree or order for the compromise of a suit, to which a minor is a party, shall recite the sanction of the Court thereto and shall set out the terms of the compromise as in Form No. 24 in Appendix D to this schedule.

OFFICE OF THE CHIEF INSPECTOR OF MINES AND EXPLOSIVES IN MYSORE.

Notification No. 497, *dated Oorgaum,* 16*th September* 1938.

Instances have come to the notice of this Department where licensees manufacturing explosives, instead of doing so in the places indicated on their licenses do clandestinely manufacture them in their own dwelling houses or sale premises within closed doors during night time. As such places are generally situated on public roads in congested localities and since such a practice is liable to endanger public safety, persons in the know are requested to guard themselves against eventualities by promptly reporting the names of such licensees to the local Police authorities. This notice is published for general information in view of the approaching Deepavali Festival when the licensees are likely to transgress the conditions of their licenses owing to the demand for firework articles during the season.

Government in their Notification No. D. 2814—Geol. 66-28-25, dated 9th September 1930, have prohibited, within the Mysore State, the manufacture, possession and importation of any explosive consisting of or containing sulphur or sulphuret in admixture with chlorate of potassium or any other chlorate.

Many accidents, caused during the illicit manufacture and handling of a variety of fireworks commonly known as "Pattas" or "Belluli Pattas"—throwdowns or small bombs—consisting of a mixture of potassium chlorate (ಪೊಟಾಸ್ ಉಪ್ಪು) and Arsenic or Antimony Sulphide (ಮೊಣಚಿಲೆ ಹರಿದಳ) or Sulphur (ಗಂಧಕ) have come to the notice of this department resulting in serious and sometimes fatal injuries to the persons manufacturing or handling the mixture, besides doing damage to property.

The mixture constitutes a highly dangerous explosive which is sensitive to friction, force (blows) and even liable to ignite spontaneously.

As this firework composition is mostly used during Deepavali and Shaban festivals, timely warning is hereby given to all persons concerned not to manufacture, possess or sell this dangerous explosive.

Any person manufacturing, possessing or importing such a mixture will be punished according to Law.

K. DURAISWAMIER,
Offg. *Chief Inspector of Mines and Explosives in Mysore.*

OFFICE OF THE CHIEF INSPECTOR OF MINES AND EXPLOSIVES IN MYSORE.

Notification No. 497, *dated Oorgaum*, 16*th September* 1938.

Instances have come to the notice of this Department where licensees manufacturing explosives, instead of doing so in the places indicated on their licenses do clandestinely manufacture them in their own dwelling houses or sale premises within closed doors during night time. As such places are generally situated on public roads in congested localities and since such a practice is liable to endanger public safety, persons in the know are requested to guard themselves against eventualities by promptly reporting the names of such licensees to the local Police authorities. This notice is published for general information in view of the approaching Deepavali Festival when the licensees are likely to transgress the conditions of their licenses owing to the demand for firework articles during the season.

Government in their Notification No. D. 2814—Geol. 66-28-25, dated 9th September 1930, have prohibited, within the Mysore State, the manufacture, possession and importation of any explosive consisting of or containing sulphur or sulphuret in admixture with chlorate of potassium or any other chlorate.

Many accidents, caused during the illicit manufacture and handling of a variety of fire-works commonly known as "Pattas" or "Belluli Pattas"—throwdowns or small bombs—consisting of a mixture of potassium chlorate (ಪೊಟಾಸ್ ಉಪ್ಪು) and Arsenic or Antimony Sulphide (ಮಣಿಲೆ ಹರಿದಳ) or Sulphur (ಗಂಧಕ) have come to the notice of this department resulting in serious and sometimes fatal injuries to the persons manufacturing or handling the mixture, besides doing damage to property.

The mixture constitutes a highly dangerous explosive which is sensitive to friction, force (blows) and even liable to ignite spontaneously.

As this firework composition is mostly used during Deepavali and Shaban festivals, timely warning is hereby given to all persons concerned not to manufacture, possess or sell this dangerous explosive.

Any person manufacturing, possessing or importing such a mixture will be punished according to Law.

K. DURAISWAMIER,
Offg. *Chief Inspector of Mines and Explosives in Mysore.*

Victoria Rupees.

The following Press Communique, dated the 15th July 1937, of the Controller of the Currency reiterating that Victoria Rupees continue to be legal tender and that they are exchangeable at their full face value, is published for general information.

"In accordance with a recent decision, Victoria Rupees are not ordinarily reissued from treasuries or from Banks which transact Government business, and these rupees are thus being gradually replaced by coins of more recent mintage. It is understood that in some districts this decision has led to a belief that Victoria rupees are no longer legal tender. This belief is entirely erroneous. Victoria rupees are exchangeable at their full face value and there is no intention of altering the existing position in this respect".

B. KRISHNA RAO,

OFFICE OF THE CHIEF INSPECTOR OF MINES AND EXPLOSIVES IN MYSORE.

Notification No. 497, *dated Oorgaum*, 16*th September* 1938.

Instances have come to the notice of this Department where licensees manufacturing explosives, instead of doing so in the places indicated on their licenses do clandestinely manufacture them in their own dwelling houses or sale premises within closed doors during night time. As such places are generally situated on public roads in congested localities and since such a practice is liable to endanger public safety, persons in the know are requested to

guard themselves against eventualities by promptly reporting the names of such licensees to the local Police authorities. This notice is published for general information in view of the approaching Deepavali Festival when the licensees are likely to transgress the conditions of their licenses owing to the demand for firework articles during the season.

Government in their Notification No. D. 2814—Geol. 66-28-25, dated 9th September 1930, have prohibited, within the Mysore State, the manufacture, possession and importation of any explosive consisting of or containing sulphur or sulphuret in admixture with chlorate of potassium or any other chlorate.

Many accidents, caused during the illicit manufacture and handling of a variety of fireworks commonly known as "Pattas" or "Belluli Pattas"—throwdowns or small bombs—consisting of a mixture of potassium chlorate (ಪೊಟಾಸ್ ಉಪ್ಪು) and Arsenic or Antimony Sulphide (ಮೆಣಸಿರೆ ಹರಿದಳ) or Sulphur (ಗಂಧಕ) have come to the notice of this department resulting in serious and sometimes fatal injuries to the persons manufacturing or handling the mixture, besides doing damage to property.

The mixture constitutes a highly dangerous explosive which is sensitive to friction, force (blows) and even liable to ignite spontaneously.

As this firework composition is mostly used during Deepavali and Shaban festivals, timely warning is hereby given to all persons concerned not to manufacture, possess or sell this dangerous explosive.

Any person manufacturing, possessing or importing such a mixture will be punished according to Law.

Victoria Rupees.

The following Press Communique, dated the 15th July 1937, of the Controller of the Currency reiterating that Victoria Rupees continue to be legal tender and that they are exchangeable at their full face value, is published for general information.

"In accordance with a recent decision, Victoria Rupees are not ordinarily reissued from treasuries or from Banks which transact Government business, and these rupees are thus being gradually replaced by coins of more recent mintage. It is understood that in some districts this decision has led to a belief that Victoria rupees are no longer legal tender. This belief is entirely erroneous. Victoria rupees are exchangeable at their full face value and there is no intention of altering the existing position in this respect"
